

### The 2009 LSLAP Manual is Now Available

The Law Students' Legal Advice Program (LSLAP) is a non-profit organization that offers free legal advice to people in Greater Vancouver who are unable to afford a lawyer.

The LSLAP Manual is comprised of approximately 1000 pages of legal information, divided into 23 chapters. The Manual is easy-to-use and provides quick answers to many legal issues. Originally designed as an educational resource for LSLAP students, it is now used by hundreds of organizations across British Columbia.

With the assistance of legal professionals, our students revise the manual annually to reflect changes in the law. It is published each September as a binder-bound hard copy, fully updated with new cases and new or amended legislation.

#### Inside, You Will Find:

- Criminal Law and Youth Justice
- Family Law
- Employer-Employee Relations
- WCB and Employment Insurance
- Creditors' Remedies and Debtors' Assistance
