**Re: Letter of Support for the Association of Legal Aid Lawyers**

We at the Law Students' Legal Advice Program want to express our strong support for the work of the Association of Legal Aid Lawyers to address the chronic underfunding of legal aid.

At the Law Students' Legal Advice Program, we deal firsthand with poverty-stricken and marginalized members of our society who are facing difficult legal issues, and therefore understand the substantial need in our province for greater Legal Aid Services.

To our friends in the Association of Legal Aid Lawyers, we recognize the great work you are doing. Please know that the Law Students' Legal Advice Program applauds your efforts and wish you success in your drive to improve access to justice.

Sincerely,

The Executive Team, Law Students' Legal Advice Program &  
The Board of Directors, Greater Vancouver Law Students Legal Advice Society
